Srinagarinda princress mother
school samutsakhon

SKILLS

Soft Skills

- Team collaboration
- Attention to detail
- Problem-solving

Hard Skills

- High to Low Poly Baking
- Material Creation

Technical Skills

- Substance Painter

PROFESSIONAL SUMMARY

I am currently studying 3D Animation with a strong interest in texture painting, especially in a style inspired by Arcane. I enjoy bringing character models to life through hand-painted details and stylized surface work. I am interested in pursuing a career as a Lookdev Artist, where I can continue developing my skills and grow more confident in creating expressive and polished model textures over time.

WORK EXPERIENCE

CRA Charity run#5

august 2025 – september 2025

- Created character model.
- paint character texture
- Assisted in baking high-poly to low-poly

Original project (universityproject)

January 2026 – present

- paint character texture
- paint props texture
- check UV
- Assisted in baking high-poly to low-poly

OBJECTIVE

My objective is to expand my skills by exploring and working across a variety of visual styles, while continuously improving my texture painting abilities. I am committed to growing into a more versatile and professional artist through hands-on experience and ongoing skill development.
